# VENTURE CLEAN

## NON-AMMONIATED TANK CLEANER

Venture Clean is formulated to help deactivate harmful herbicide deposits and residue in spray tanks and equipment, ensuring that they can safely be used for future applications.

Given the extreme potency of many herbicides, even minute traces can negatively impact plant health. Venture Clean leverages cutting-edge surfactant and sequestrant technology to penetrate, encapsulate and deactivate residue in spray equipment left behind from a wide range of herbicides including: Glyphosate, 2,4-D, Mecoprop and Triclopyr.

Venture Clean can also be used to rinse the exterior of spray tanks and equipment.

- ✓ **REMOVES HERBICIDE DEPOSITS**
- ✓ **DEACTIVATES RESIDUE LEFT BEHIND BY A WIDE RANGE OF HERBICIDES**
- ✓ **CAN BE USED WITH: TANKS, BOOMS, HOSES, FILTERS AND NOZZLES**
- ✓ **BREAKS DOWN OILY DEPOSITS**

**USAGE:** Drain the spray tank completely then flush tank, boom and hoses with clean water. Drain again. Half fill the tank with clean water and add Venture Clean at the recommended rate. Flush through boom and hoses, then allow to stand for 10 minutes with agitation. Finally, drain the tank completely. Nozzles and filters must be removed and cleaned separately with Venture Clean. Leave to soak in a bucket containing 8 fl. oz of Venture Clean per 12 gallons of water while tank cleaning is in process.

Venture Clean should be used at a rate of 0.25% of total tank volume. Spray tanks should be filled to capacity to ensure the entirety of the tank is treated.

### NORMAL CLEANING

TANK CAPACITY:	VENTURE CLEAN NEEDED:
100 Gallons	32 ounces
200 Gallons	64 ounces

**FOR MORE DIFFICULT WASHOUTS, VENTURE CLEAN CAN BE USED AT A RATE OF 0.5%.**

### HEAVY CLEANING

TANK CAPACITY:	VENTURE CLEAN NEEDED:
100 Gallons	64 ounces
200 Gallons	128 ounces

**Removes:** carfentrazone-ethyl, flupyrsulfuron-methyl, metsulfuron-meythyl, rimsulfuron, thifensulfuron-methyl, tribenuron-methyl and triflursulfuron-methyl

**Contains:** 2-aminoethanol, Benzenesulfonic acid, alcohols, C12-15, ethoxylated, (2-methoxymethylethoxy) propanol, phosphonic acid

Causes skin irritation. May cause respiratory irritation. May cause drowsiness or dizziness.
