

CEIA is the premier carbon-based bio-nutritional line for professional turfgrass. Developed by a PhD Chemist and Certified Agronomists, CEIA's proprietary formulations use top-quality agronomic inputs for optimal success. CEIA products meet the specific nutrient needs for high end turf grass, incorporating biostimulants, carbon, macronutrient, and micronutrient food sources.

Green Up

Green Up is a carbon backed Nitrogen and micronutrient source, containing molasses, leonardite shale, and Ascophyllum Nodosum.

WHAT IT DOES

Through a proprietary formulation of biostimulants, carbohydrates and nitrogen, **Green Up** promotes healthy turfgrass growth by:

- Green Up is designed to provide rapid and long-lasting color
- Feeds beneficial microbes for improved nutrient cycling
- Provides chelated micronutrients and trace minerals

WHY IT WORKS FOR YOU

Green Up is designed for turfgrass professionals looking to push growth and improve overall turfgrass health by:

- Green Up provides quickly assimilated Nitrogen, core turfgrass micronutrients required for chlorophyll production.
- The unique formulation of Nutrients, Biostimulants and Carbohydrates in Green Up work together to provide healthy growth and improved soil structure for turfgrass.

APPLICATION RATES & RECOMMENDATIONS

CURATIVE / LOW CEC / HIGH SAND APPLICATION:

Apply 6-12 ounces per 1000 sqft per month during growing season as needed. Total minimum season rates of 20 quarts per acre should be applied to highly stressed areas

MAINTENANCE RATE:

Apply 1-6 ounces per 1000 sqft per month during growing season as part of a complete agronomic fertility program

DRENCH APPLICATIONS:

Apply 8-64 ounces per 10-100 gallons of water as needed

FERTIGATION:

Apply through irrigation systems at a rate of 1-4 gallons per acre per treatment. Repeat as needed

GUARANTEED ANALYSIS:

Urea Nitrogen (N).....	15.00%
Chelated Iron (Fe).....	0.75%
Chelated Manganese (Mn).....	0.25%
Chelated Magnesium (Mg).....	0.25%

Derived From: Urea, Iron Glucoheptonate, Manganese Glucoheptonate, Magnesium Glucoheptonate

NON-PLANT FOOD INGREDIENTES:

Blackstrap Molasses.....	8.33%
Humic Acid.....	4.00%
Fulvic Acid.....	0.33%

Derived from: Blackstrap Molasses, Leonardite Shale, and Ascophyllum Nodosum
