Adigor SDS, **click here**

- The current **Manuscript case will only be available to ship and sell in the state** of **Florida only.** Manuscript is not registered for use in any other state.
- Please note, in Florida the SLN 24(c) label will be included in the package case and must be in the applicators possession at the time of application.
- Federal Section 3 registration is pending.

This product is approved for distribution and use only under FIFRA Section 24(c) for control of tropical signalgrass and other grass weeds. The user must have a copy of the state-approved FIFRA Section 24(c) label which permits use of this product at the time of pesticide application and follow all directions for use, restrictions, and precautions. Contact your state department of agriculture or state agency responsible for pesticide regulation to determine if a Section 24(c) is in effect in your state.
