MASKING AGENT SELECT™

MAINTENANCE

GENERAL INFORMATION

Masking Agent SELECT is a concentrated fragrance used to mask objectionable odors in sensitive areas and to increase operator comfort.

DIRECTIONS FOR USE

Add 1 to 3 ounces of Masking Agent SELECT, per gallon of chemical, or 4 pounds of wettable powder with objectionable odor.

Odor intensity will vary with different chemicals. Start by adding 1 ounce per gallon, and slowly increase to obtain desired effect.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not contaminate water, food or feed by storage or disposal of this product. Shake well before using. For optimal storage, store between 40° and 90° F.

DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

WARRANTY STATEMENT

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
